

Woodland Wanderers/Arizona Strollers Online Event Registration System

Online registration is provided for all Traditional, Seasonal, and Year-Round Events sponsored by the Woodland Wanderers and the Arizona Strollers (new club coming soon!). The process takes place through a web browser, and a newer version with JavaScript enabled is recommended. Once you have registered with us, you select the events you wish to sign up for and how many people, pay with any major credit card or mail a check, download the maps, insert cards and other information, then go walk. Our sites are responsive so they will work on your phones, but much scrolling may be involved.

First Time Using The Arizona Strollers Online Event Registration System

Go to the Online Event Registration System web site: <https://AZStrollers.org/Store/>

The screenshot shows the website's navigation bar with a search box, 'Your Cart', 'Checkout', 'Register', and 'Login' links. Below the navigation is a banner image of people walking with the text 'Arizona Strollers Woodland Wanderers'. A welcome message reads 'Welcome to the Arizona Strollers Online Event Registration System'. A 'FEATURED EVENTS' section contains four event cards: 'Arizona Mills Mall Walk' (with a colorful balloon display), 'Salt Lake City-Capital' (with the Utah State Capitol building), 'Helena-Capital' (with a historic brick building), and 'Durango Seasonal Event' (with a blue sculpture of a dog).

Your first time using the Arizona Strollers Online Event Registration system requires registration with your name, and a **valid** email address. You set your own password with no restrictions. To get started, click on the 'Register' menu item on the top right. This will bring up the new user registration screen.

Enter your first name, last name, and valid email address. Your password will not be displayed, but you must enter it twice. Type the Security code in the box provided. If you check the box to receive email it simply makes it easier from my end. (We do not spam this email address or make it available to anyone.)

After you have filled out the form and clicked on Submit,

our system will validate your email address by sending an email with a special link you must click. Go to your email and **wait** for the Validation email to arrive. It should arrive within 15 minutes or so. Check your spam or junk if you don't see it. Once it arrives, click on the link provided. This will return you to the Online Event Registration System and validate your email address. You are now able to login, so go back to <https://AZStrollers.org/Store/> and select the 'Login' menu.

NOTE: You must validate your registration before you can log in.

Already Registered

If you **previously registered** for the Arizona Strollers Online Registration site, go to <https://AZStrollers.org/Store/> and login with the email address and password you created.

The screenshot shows the 'CREATE NEW CUSTOMER PROFILE' registration form. At the top, there is a search bar and navigation links for 'Your Cart', 'Checkout', 'Register', and 'Login'. Below the navigation is a header with 'HOME', 'ABOUT US', 'TERMS & CONDITIONS', 'CONTACT US', and 'SELECT STATE'. The main heading is 'CREATE NEW CUSTOMER PROFILE'. Below this, there is a note: 'By registering a customer profile you will be able to shop quicker and easier at Arizona Strollers...'. A link 'Already signed up? Login Here' is provided. The 'REGISTER FORM' section includes fields for 'First name:' (Frank), 'Last name:' (Sayers), 'Email:' (register@AZStrollers.org), 'Password:' (masked with dots), 'Confirm password:' (masked with dots), 'Security code:' (824565), and 'Type security code:' (824565). There is a checkbox for 'Yes, I want to receive offers and news from this shop by email.' and a 'Submit' button.

The screenshot shows the 'CUSTOMER PROFILE' login page. At the top, there is a search bar and navigation links for 'Your Cart', 'Checkout', 'Register', and 'Login'. Below the navigation is a header with 'HOME', 'ABOUT US', 'TERMS & CONDITIONS', 'CONTACT US', and 'SELECT STATE'. The main heading is 'CUSTOMER PROFILE'. Below this, there is a note: 'If you have already registered as a customer you can log in here:'. Links for 'Forgot your password?', 'New Customer Signup', and 'New Customer Signup' are provided. The 'CUSTOMER LOGIN' section includes fields for 'Email:' (register@AZStrollers.org) and 'Password:' (masked with dots). There is a 'Login' button.

Once you have successfully logged in, the menu at the top changes to reflect the current status. If you know which event you are looking for you can utilize the 'Search...' feature on the left. If you are not sure but know which state the event is in, hover your mouse over 'Select State' and a dropdown menu will appear. Click on the state and you will head to the page showing all the events within that state.

Click on the event you wish to sign up for. This displays all information about this event, including a quick description on the top and a more complete description below. In the middle you will enter the names of other people you are signing up for in the box provided below the price.

If you choose Credit Card it takes you to the PayPal payment screens. You can log in to your PayPal account and pay that way or click down at the bottom to enter your credit card information including your billing address. We do not keep any credit card information. If your PayPal email address is different than your Arizona Strollers Online Event Registration System login email, go to the next page for some Special Instructions. After completing the form, click 'Pay Now'. (PayPal will ask you to create an account. There is no need to unless you want to, so either 'Agree & Create Account' or 'Not now' – NOTE: This is PayPal, not us.)

You will be returned to 'Thank you for your order!'

NOW WHAT???

Within a few minutes, you will receive two emails. One is a receipt from PayPal (service@paypal.com) sent to the email you entered when paying. (IF YOUR LOGIN EMAIL AND YOUR PAYPAL EMAILS ARE DIFFERENT, after you successfully pay read below for special access requirements). A receipt will also be sent to your login email account from Arizona Strollers Online Event Registration System (admin@azstrollers.org). THIS IS A VERY IMPORTANT EMAIL. Scroll down, and it will give you the information necessary to log back into the registration site and download/retrieve the walk information.

Go to <http://AZStrollers.org/store/deliver.html>; log in with the email address you used to pay for the event, use the password indicated on the email you just received. Your regular log in password will not work for this, you must use the password provided in your RECEIPT email.

IF YOUR LOGIN EMAIL AND YOUR PAYPAL EMAILS ARE DIFFERENT

You will be unable to login with the information provided in the RECEIPT to get to the download area. Instead, log in with your Arizona Strollers Online Event Registration System log in. From the 'Home' screen, scroll down to the bottom of the page and click on 'Order History'. This order will be at the top and there will be an orange 'Download' selection on the right side of the screen. Click on it and it will take you to the documents to be downloaded page. You have 30 days to download a copy of the documents. If you need more than one copy, such as the insert cards for all your Special Program booklets, simply print as many as need from the one you downloaded.

There will probably be multiple documents for the event. Each one must be downloaded by clicking on the 'Download' button. The download will happen according to your browser settings. The documents are all PDF documents, you must have a relatively current Adobe Acrobat Reader program to use them.

If you have any questions about this process, or are having difficulty doing it, feel free to send an email question to 'register@AZStrollers.org', or TEXT a message to '719-640-6744' and we will respond just as soon as we are able.

AVA Headquarters knows nothing about this process because it is owned by the Woodland Wanderers, so don't go to them. Come directly to us. Thanks.
