**Why?** These events are being sanctioned as part of the Woodland Wanderers “Just Because Challenge”. In other words, I am sanctioning them just because I want to. Now, there may be something significant in the area, but generally it will just be a cluster of events close enough you could possibly do them in a single weekend (if you are Gale and Klaus!), or over a period of three or four days. There is no special reward, no booklet, just an IVV Certification Stamp and a feeling of accomplishment for each one. Enjoy.

**ELIGIBILITY:** Our events are open to the public.

**REGISTRATION:** Registration is to be completed online, except for Monahans Sandhills State Park which is in the park. The cost to participate for everyone is \$3.00. Registration is available at <https://AZStrollers.org/Store/>.

**IVV ACHIEVEMENT AWARDS:** These events are sanctioned by the American Volkssport Association (AVA), a member of the International Federation of Popular Sports (IVV) and counts towards the acquisition of IVV achievement awards.

**DISCLAIMER:** The sponsors are not liable for accidents, theft and/or material damage. Every effort will be made to make these safe, enjoyable, and memorable events. The Woodland Wanderers has done their utmost to ensure the information in this brochure is accurate. However, changes do occur. Please feel free to contact the event coordinator.
